

# IN FORMA LINE

## Foraggio Pellet Selection

The appropriate balance of essential nutrients that maintain competing horses in shape.

The In Forma line has been developed specifically for sports horses that need a balanced and healthy diet. A balanced calory intake helps the animal stay fit, thus preserving its wellness and ensuring the right energy dose necessary to face sport events.

**In Forma Fioraggio Pellet** is a mixture of hay first cutting of grass and medical grass, dried with forced ventilation and pelleted at low temperature. Provides a noble feeding daily fiber intake. It is recommended for horses with problems expiratory, and it extends the use in all cases where you want to replace a meal with a ration of hay classic fast and easy.

### ANALYTICAL COMPONENTS

Crude protein	12,90%	Crude fiber	28,00%

# Porrini horse feed, the best for your horse

The mission of Porrini is to provide a range of feeds that meet the best dietary needs of horses. Each animal has its own distinct physical characteristics and its own needs based on the activities performed. This is why the nutritionists at Porrini have developed four product ranges that meet the nutritional requirements of horses at any age and throughout their sports activities.

## IN FORMA LINE

**The appropriate balance of essential nutrients that maintain non-competing horses in shape.**

The In Forma line has been developed specifically for sports horses that need a balanced and healthy diet. The In Forma range includes **Fibra**, **Light**, **Nutrilight** and **Foraggio Pellet**.

## FUORICLASSE LINE

**Explosive energy, high performance and endurance. The perfect feed for racehorses.**

The Fuoriclasse line has been developed specifically for racehorses. It provides all the essential nutrients required to produce energy during sports challenges.

The products in the Fuoriclasse range include **Multifioc**, **Nutrifioc** and **Grand Prix**.

## GREY POWER LINE

**For sports horses that are subjected to very intense and explosive efforts, this is the ideal feed that satisfies the sudden requirements of energy.**

The Grey Power line contains highly digestible nutrients, vitamins, minerals and trace elements to ensure maximum performance for competing horses.

## SPECIALITÀ LINE

**Personalised feed for your horse.**

Each horse is unique and has specific needs and requirements. Porrini is perfectly aware of this and has formulated a specific nutritional program for demanding horses.

## LINEA ALLEVAMENTO

**The perfect nutritional balance for foals and broodmares.**

The Allevamento line responds to the particular nutritional needs of broodmares and foals. Porrini Franco has formulated two complete feeds for horse breeders, **Growfioc** and **Mediallevamento**.

## The tranquillity of a regenerating and healthy sleep

The beddings of Porrini are the jewel in the crown of its offer. This is a high quality natural product, derive exclusively from virgin timber of selected silver fir, freed from enzymes and dust.
