

IN FORMA LINE

NCL equine all fib. Selection

The appropriate balance of essential nutrients that maintain competing horses in shape.

The In Forma line has been developed specifically for sports horses that need a balanced and healthy diet. A balanced calory intake helps the animal stay fit, thus preserving its wellness and ensuring the right energy dose necessary to face sport events.

In Forma NCL equine all fib is suitable for all types of ponies and horses ensuring a complete meal even as a partial replacement of hay. The intake of vitamins and minerals makes it ideal also for horses that compete in medium to high-level equine sports. It aids digestion, helps relieve and control respiratory problems, prolongs metabolic activity, which leads to a better absorption of nutrients.
