

NCL ALL FIB SPORT PLUS

FUORICLASSE LINE

The First-rater line is addressed to competing horses. It contains all the nutritional principles indispensable to give horses the necessary energy to face the sport challenges, to maintain their muscular tone and to keep them reactive.

NCL All Fib Sport Plus is a complete feed that can also be used as a partial hay replacer. With a high content of minerals, vitamins, vegetable oils and pulse proteins, this is an optimal feed for top-level competition horses, helping them to perform at their best even for long periods. Also particularly suitable for nervous horses and horses suffering from gastritis and ulcers, it aids digestion and helps to alleviate and control respiratory problems.
