

ORZO FIOCCO

SPECIALITÀ LINE

Each horse is unique and has specific needs and requirements. Porrini knows it perfectly and has therefore studied a special nutritional program specific for demanding horses.

Thanks to its considerable production flexibility, the company can customize fodder mixtures according to the customer needs.

As a consequence the breeder, the trainer or the rider, who know their horse better than anyone else, can use a product in line with the animal needs and with its specific physical qualities.
